### WHAT THE OWNER SAYS:

*"Having owned Clermont Terrace for the last decade; at first as our first home as couple and then as a buy-to-let we can certainly say it has served us well and will be very much missed!*

*Although compact, has everything you need - during the summer months we especially loved stepping straight out of the living room through the patio windows/doors into the front garden which we landscaped. Or wandering down to Preston Park which is absolutely beautiful. Having Preston Park station a 30 second walk was invaluable when I commuted to London or if you wanted to pop into Brighton / down to the seafront. It really has been a wonderful apartment."*
