THE EXTERIOR

REAR GARDEN TERRACE

An enjoyable outside area with two distinctive terraces, the lower accessed via a secure wrought iron staircase, providing access onto a paved patio area, ideal for planters or garden furniture. Retaining wall to far side with raised beds comprising sub-tropical planting and established shrubbery. Stairs descend from the lower patio, allowing access into the rear of the building via the guest bedroom suite. The secondary area, laid to all weather turf, provides another low maintenance and useable space, bordered by Agapanthus and tall established bushes. A side passageway laid to stone shingle, could potentially be utilised for further storage needs, if required. We understand the rear garden terrace captures the late afternoon and evening sun.

DRIVEWAY

Tarmacadam communal drive leading onto a brick pavia drive, providing parking in parallel for two cars. Covered entranceway giving access to the garage. Exterior courtesy light, water tap, raised planted borders.
