[illegible]

Overview

OVERVIEW

The vendor has taken considerable time and effort to gain all the pricings and reports for any prospective buyer to help them make a decision on a purchase. Hence a ready to build scheme is in place for viewers to peruse during their viewing.

It is a wonderful opportunity to build your own home with a mix of the contemporary and modern, also incorporating character stone which is prominent in many Tickhill properties.

Full planning has been granted for a new property to be built on the plot which is approx 1,220 square foot. Its layout is over one level, offering any prospective buyer a versatile home which would appeal to many buyers.

It has an open plan living arrangement which would suit both the young professional, families and retired or disabled, as it offers plenty of space for wheelchairs to get around. The feature glazed link with a glass front and roof light marry's up the existing stone building to the new part of the property which would be completed by the new buyer.

The setting to which it stands has a rural feel and is located to the far side off Bawtry Road behind 2 Bawtry Road. It offers an easy access to a wide array of amenities including shopping, schooling and motorway access to both Bawtry & Tickhill.
