*Horseshoe Cottage, Stroud Road, Brookthorpe,
Gloucester, Gloucestershire, GL4 0UQ.*

£599,500

Ideal for anyone who needs separate office space or a ground floor bedroom with en suite facilities and for those who like to entertain with the superb outdoor bar/games room and covered Jacuzzi area.

The property has been significantly extended over the years but provides a very modern feeling of living with a lovely flow as you walk around the ground floor. From the entrance hall you can directly access the lounge with feature fireplace and the kitchen/breakfast room. From here doors lead into the utility and cloakroom as well as the separate dining room which has double doors out onto the patio and a door directly from the lounge as well. The lounge is L shaped with twin windows to the front and then double doors to the conservatory at the back which overlooks and opens to the garden. The ground floor is completed by a further room currently used as a home office but equally suited to being a playroom or accommodation for an older dependent or elderly relative as it has its own ensuite shower room.

The landing is generous in proportions and the master bedroom now has a superb walk in dressing room and ensuite shower room. The three remaining rooms are all good size double rooms and there is a family bathroom as well.

Outside the property has a wraparound garden with a small lawn to the left and pathway at the front with a stone retaining wall. The large gravelled driveway provides ample parking for 4 or 5 cars. The rear garden has large raised patio and sun terrace which extends the full width of the property and is ideal for having the family over and there is a good size lawn and ornamental pond. To one side is a useful garden waste storage area which is screened and accessed via a separate gate. There is mature hedging and trees to the rear boundary which provide total privacy and with a Westerly aspect you are guaranteed sun in the garden for most of the day. To the right hand side is a superb garden games room complete with bar area, power and light. Adjoining this is a covered, partly enclosed area with sunken Jacuzzi.

Entrance Hall
