The kitchen is modern and well-equipped with white units, integrated appliances and neutral finishes. It enjoys pleasant views of the garden and direct access outside, while also connecting conveniently to the dining area.

Upstairs, the landing benefits from a window allowing natural light to fill the space, along with a storage cupboard housing a recently installed combination boiler.

The property offers three bedrooms in total. The main bedroom is bright and comfortable with built-in wardrobes and an en suite shower room. The second bedroom also benefits from built-in storage, while the third bedroom provides a versatile space that could work well as a child's bedroom, guest room or home office. A family bathroom completes the first floor.

To the rear is a pretty and private garden which is not overlooked. It features a lawn, a patio area accessed from the kitchen and planted borders with a mix of shrubs and trees, creating a pleasant outdoor space. There is also rear access into the garage.

The property has benefited from a number of thoughtful improvements in recent years, including a recently fitted boiler, cavity wall insulation, external front and back doors, and the addition of an electric car charging point.
