Situation

Christian Malford is one of the few villages with a primary school, church, village shop/post office, pub and village hall, where there are many social events and activities arranged on a regular basis. The village is just four miles N.E. of Chippenham, which has easy access to a wide range of shops, providing an excellent range of shopping facilities and amenities including mainline rail services and modern sports/leisure centre; excellent road communications provide easy access to the major employment centres of Bath, Bristol and Swindon via the M4 together with London and the West Country. Those with an interest in country and leisure pursuits are well catered for in the area and there is a good choice of both state and private schooling in the region.
