Elgar

Lower Carnkie, Redruth, TR16 6SP

Guide Price £375,000

Elgar is an excellent example of an individually sited non estate detached bungalow in generous, well enclosed grounds. Features include a Rayburn in the kitchen, double glazing and electric heating. A multi fuel burner is provided in addition to the Rayburn. There is a very generous rear conservatory with open views. Two reception rooms are provided and the kitchen has plenty of units together with an extra area where you will find the built-in cooker. There are three bedrooms, two of which have fitted wardrobes. In addition to the bathroom there is also a shower room and this could well be used as adjoining en-suite for bedroom 3. The bath is a Jacuzzi style together with multi coloured underwater lighting. The property has approaching 1200 sqft of indoor accommodation.

The property has a low maintenance exterior with pebble dashing and the fascias, soffits and gutters have been replaced with plastic units. The internal skirtings and sills have also been replaced with plastic units.

Externally there is a gravelled driveway providing turning and parking facilities leading to a generous garage with an electric door. The gardens are certainly worthy of mention being a good size, well stocked and having an open aspect. The bungalow was originally built in 1974 and extended in 1990. It is being offered for sale for the first time in over 30 years.
