Description

The front door, with storm porch over, opens into the central hallway, with a coat cupboard and handy guest toilet off. The double aspect living room boasts direct access to the garden and has a feature fireplace. From here, a door leads into a family room, which also enjoys a dual aspect and is currently used as a study, with integral access to the double garage, this handy area would suit a family leisure set up, i.e a home gym or games area. The striking kitchen/dining room features a range of wall and base units, ample worktop space, a coordinated breakfast bar, an integrated dishwasher, integrated coffee machine (decommissioned) a range cooker with extractor over, as well as two integrated freezers and a fridge.. At the far end, there is ample space for a family dining table in front of a feature bay window. A utility room with washing machine and tumble dryer completes the ground floor accommodation, which benefits from underfloor heating.

To the first-floor, there are four double bedrooms and one single, ideal for use as a study. The principal boasts a wall of built-in wardrobes, ample room for a range of freestanding furniture and a contemporary en-suite shower room. Bedroom two also enjoys an en-suite bathroom with a modern family bathroom serving the remaining bedrooms. The second floor boasts a large bedroom or playroom with velux windows, provision to easily access services if an additional en-suite here is desired and easy direct loft access.

Outside the family garden enjoys much privacy thanks to panel fencing. This established family garden, mainly laid to lawn with mature trees, a small raised pond and planting for interest, features a patio area extending across the back of the home which flows to a pathway leading to gated side access, passing by the utility room door and a well placed shed. To the front, a part block paved driveway provides ample parking and access to the double garage with twin doors.
