Bucklands Road, TW11

This spacious one double bedroom apartment is located in a popular development moments from the River Thames. Recently renovated and presented in immaculate condition, this is the ideal first time buy or investment property.

The property features a large living room with full width windows and garden views, a separate high specification kitchen with integrated appliances. There is also a large double bedroom with fitted wardrobes and a modern family bathroom. The property has underfloor heating throughout with a three zone control, plus ample storage in the hallway including a large utility cupboard. Externally, there is a bike store, beautifully maintained communal gardens, and ample residents' parking around the development.

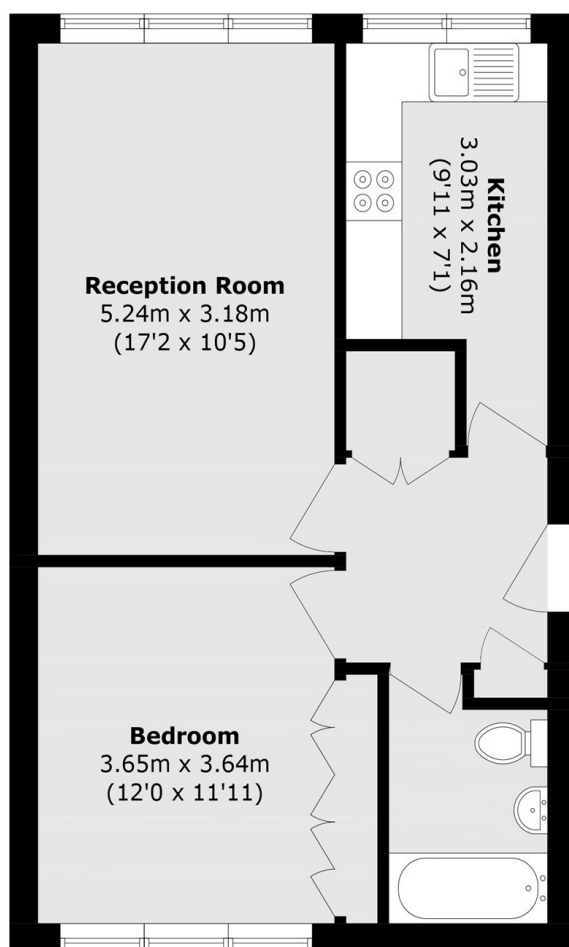

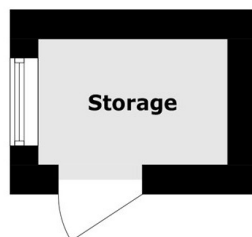

Bucklands Road is less than half a mile from Hampton Wick railway station and Teddington Lock, which offers an easy access path into Richmond and Kingston town centres along the River Thames
