Introduction

An extended family home in the sought after village of Weobley, offering ample living accommodation, garaging and generous gardens. This light accommodation comprises: entrance hall, cloakroom, sitting room, two further reception rooms (which could be used as ground-floor bedroom accommodation), kitchen/breakfast room, utility, four first floor bedrooms and a family bathroom. Benefiting from oil heating, double glazing, generous gardens and garaging.

Property Description

Entry begins into a side entrance hallway with stairs to the first floor. To the right is access to a cloakroom and sitting room. The cloakroom has a WC, wall hung hand-basin, radiator and window out.

The sitting room is a really great size with feature south facing bay window overlooking the front garden. There is a wood-burner with slate hearth for those cooler Winter months and an under-stair cupboard for storage. From the sitting room access is given to two further reception rooms. The first has a glazed door that leads out into the private, rear garden. As the room is also connected to the kitchen/breakfast room it would make an ideal dining room. It is currently being used as a second sitting room. The second reception room is being used as a single bedroom but would lend itself to becoming a home office/hobby space if otherwise desired. It has south facing front aspect.

The kitchen/breakfast room can also be accessed from the main entrance hallway and has a good array of wall and floor kitchen units. There is a gas hob top (Calor bottle fed) and oven and housing for a dishwasher/washing machine and fridge/freezer. The vendors have a central breakfast table and chairs set up here. Leading from the kitchen/breakfast room is a utility area where additional base units provide further storage facility and counter top for additional kitchen appliances. There is housing for a tumble dryer. A door leads out into the rear, enclosed garden.

On the first floor is a landing with airing cupboard and two storage cupboards, four bedrooms and a family bathroom. The master bedroom is a good sized double with front aspect and room for a selection of bedroom furniture. Next door is bedroom two which is a single and currently being used as a dressing room. Bedroom three has rear garden aspect and is a double bedroom with laminate flooring. Bedroom four also has rear aspect, is a single bedroom with laminate flooring. The family bathroom is a good size with fresh tiling. It has a bath with shower over, hand-basin, WC, radiator and window for added light and ventilation.

Garden, Garage & Parking

The front garden is entered via a picket pedestrian gate and is south facing. A path leads to the side of the property where the main entrance is located. A path and gate also leads to the secure rear garden from here.

The rear garden is private and secure so ideal for pets or children. It has an area of patio paving for times of Summer entertainment and the rest of the garden is mainly laid to lawn. A gate leads to a garage and allocated parking.
