Location

Set on the rural edge of Leighton Buzzard, Clipstone Park offers modern living within an attractive, growing community. The development benefits from landscaped open spaces, play areas, sports facilities and footpaths, together with local shops, schools and a new leisure centre. The town centre and railway station are also within easy reach.

Leighton Buzzard is a thriving market town with independent shops, cafés, restaurants, pubs, supermarkets and a traditional street market. It is ideal for commuters, with frequent direct trains to London Euston—the fastest taking approximately 30 minutes—while the A5, A505 and A4146 provide convenient connections to Milton Keynes, Luton, Aylesbury and the M1.

Accommodation

Upon entering this impressive home, you are welcomed by a spacious and inviting entrance hallway, complete with a useful storage cupboard and a conveniently positioned cloakroom with WC and wash basin.

To the rear of the property lies the beautifully appointed kitchen/breakfast room, thoughtfully designed with both style and practicality in mind. Finished in a contemporary style and complemented by a range of upgraded integrated appliances, the kitchen flows seamlessly into a generous breakfast and entertaining area, providing ample space for family gatherings and hosting guests. An extended family seating area further enhances this exceptional living space, with French doors allowing an abundance of natural light and providing an attractive connection to the garden.

Adjoining the kitchen is a separate utility room, offering practical laundry facilities and additional storage, together with convenient side access to the driveway and garage. The ground floor accommodation continues with a generously proportioned living room, featuring French doors opening onto the garden, as well as a separate formal dining room with direct access to the kitchen. A further study/home office provides an ideal space for remote working and completes the superbly versatile ground floor accommodation.

An attractive open staircase with an attractive pine-topped balustrade and handrail rises to a spacious first-floor landing, where an airing cupboard provides the water tank and additional storage. The principal bedroom is an elegant and generously proportioned retreat, incorporating a dedicated dressing area with fully fitted wardrobes. This leads through to a wonderfully presented four-piece en-suite bathroom, creating a luxurious private suite feel to this room.

Bedroom two is another well-proportioned double bedroom and enjoys the benefit of its own en-suite shower room with a generous double shower. Two further double bedrooms provide excellent additional accommodation and are served by a separate stylish four-piece family bathroom across the landing. Together, the home offers an exceptional balance of space, comfort and practicality, perfectly suited to modern family living.

Exterior & Gardens

To the rear, the property enjoys a generously sized and thoughtfully landscaped garden, offering a far more established and considered finish than is typically associated with a modern development. A substantial porcelain-paved area with integrated lawns creates a smart, low-maintenance and highly practical space for outdoor dining, entertaining and relaxation. The garden has been carefully designed to provide both structure and visual appeal, with a raised tiled border positioned along the rear boundary offering an attractive planting area. Neatly positioned ornamental trees add further character and a sense of maturity to the setting, while convenient side access enhances the practicality of the space.

The front of the property is equally well presented, with a newly laid porcelain-paved pathway bordered by decorative gravel leading from the driveway to an attractive open outside entrance porch. A well-proportioned lawn provides a welcoming approach to the home, complemented by laurel hedging which creates an attractive green boundary and enhances the overall kerb appeal of the property.

Garage & Parking

The property benefits from a substantial detached double garage, fitted with two up-and-over doors and equipped with both power and lighting. Open timber eaves provide useful additional storage, making the garage equally suited to secure parking, workshop use or general household storage.

Vehicular access leads from the main road along a generous driveway to a private parking area positioned in front of the garage, providing off-road parking for up to four vehicles. An electric vehicle charging point is also conveniently installed alongside the driveway.
