Occupying a corner plot within a peaceful residential estate in Lower Harlech, this three-bedroom detached bungalow offers a superb opportunity for buyers seeking a home with potential in one of the area's most desirable coastal settings. The property enjoys off-road parking, a small, easily maintained garden, and a layout that lends itself beautifully to thoughtful modernisation.

The bungalow is in need of updating, but that's precisely where its charm lies. The existing rooms provide a solid foundation for a fresh, contemporary redesign—whether that's opening up the living areas, refreshing the kitchen and bathroom, or introducing soft natural tones and coastal-inspired finishes. In summary the bungalow provides 3 good sized bedrooms, light and spacious lounge, kitchen/diner, and useful utility room.

The corner position adds a sense of privacy and space, while the manageable outdoor areas offer the chance to design a charming courtyard garden, coastal planting scheme, or low-maintenance seating area perfect for enjoying the Harlech sunshine.

Lower Harlech remains highly sought-after for its blend of tranquillity and convenience. The property is well placed for access to local amenities, Harlech's historic town centre, sandy beaches, scenic walking routes, and transport links, making it an appealing choice for full-time living.
