GUIDE PRICE: £375,000 - £425,000

Set along Southgate Road, this stylish three-bedroom semi-detached home delivers the perfect blend of space, convenience and a little bit of “this could be the one” energy.

From the moment you step into the inviting entrance hallway, the tone is set for a home that’s both practical and effortlessly liveable. The bright and airy lounge is a space that works just as well for laid-back evenings as it does for hosting friends, while the kitchen is thoughtfully arranged for everyday ease. To the rear, the conservatory adds that extra layer of versatility — morning coffee spot, work-from-home zone or a place to unwind while overlooking the garden. A ground floor bathroom completes the downstairs, ticking the box for modern family living.

Upstairs, you’ll find three well-sized bedrooms, offering flexibility for families, guests or that all-important home office. The principal bedroom steps things up with its own en-suite bathroom, giving you a touch of privacy that always feels like a luxury.

Outside is where this home really starts to show off. The generous rear garden offers plenty of room to entertain, relax or let the kids run free, while the summerhouse with power and light is a real game changer — whether you’re working from home, running a side hustle or just want a quiet escape at the end of the day.

Practicality hasn’t been forgotten either, with driveway parking, a garage and a recently installed Glow Worm combi boiler (January 2026) with warranty remaining, giving you peace of mind from day one.

Location-wise, it’s all about convenience. With Lakeside Shopping Centre, Purfleet train station and the M25 all within easy reach, everything you need is right on your doorstep.

A home that balances lifestyle and location, with just the right amount of charm to make it stand out from the crowd.
