Description of Property

Tucked behind a secure, electronically gated entrance, this enchanting family home welcomes you with a sense of quiet charm and gentle sophistication. A neatly paved driveway leads you to an enclosed porch — a fitting prelude to the warmth that lies within.

Step into the entrance hall, where rich hardwood flooring flows gracefully underfoot, setting a tone of understated elegance that continues throughout much of the ground floor. To the front, the dining room is bathed in soft natural light from a bow bay window, offering delightful views and centred around a characterful fireplace — a space made for family meals.

The kitchen is thoughtfully designed with integrated appliances, including a Rangemaster cooker, and a striking U-shaped island crowned with solid wood worktops and an inset sink. Underfoot, black slate flooring adds depth and texture, while a window frames peaceful views of the rear garden. From here, a gentle step down leads to the drawing room — a wonderfully inviting retreat featuring an inglenook fireplace that cradles a Clearview log burner, perfect for cosy evenings. Doors open directly onto the garden, blurring the line between indoors and out.

Flowing naturally from the drawing room, a quiet office offers a tucked-away workspace with calming side views, while the garden room — accessible from both the kitchen and the integrated garage — is a light-filled haven with sliding doors that spill onto the patio, ideal for summer mornings and golden-hour gatherings.

Practical touches are thoughtfully woven throughout, including a generous cloak and storage cupboard, a well-appointed utility room, and a convenient ground floor shower room. The principal bedroom, also located on this level, is a serene sanctuary, complete with a bow bay window overlooking the front aspect and its own private ensuite.

Ascending the staircase, illuminated by a skylight above, the first floor unfolds with an airy landing. The second bedroom is both bright and beautifully proportioned, featuring French doors that open to a charming Juliet balcony, built-in wardrobes, and twin skylights that invite the sky indoors. A spacious family bathroom serves this level, complete with twin basins and a separate shower.

A further staircase rises to the second floor, where a skylit landing leads to a wonderfully versatile room — currently a tranquil Studio space, but equally suited as a third bedroom. With a walk-in wardrobe and additional storage, it offers both flexibility and comfort.

Outside, the grounds are a true delight. Mature trees, evergreens, and carefully tended hedgerows create a sense of privacy and timeless beauty. The rear garden is particularly serene, with a generous patio perfect for al fresco dining, expanses of lawn for play or relaxation, and a collection of charming outbuildings including a greenhouse, garden shed, and summer house. The summer house feels like a little world of its own — a place where time slows and the ordinary gently gives way to something more magical. Framed by a generous decking area that catches the sun from morning through to golden evening, it invites long, lazy afternoons with a book, quiet

morning coffees, or laughter-filled gatherings under soft, glowing lights.

Step inside, and you'll find a space already thoughtfully prepared for modern life, with lighting and electrical sockets in place — making it just as suited to productivity as it is to peace. In fact, during the brighter months, it transforms beautifully into an inspiring outdoor office, where work feels a little lighter and creativity flows more freely. It's easy to imagine mornings spent here with birdsong in the background, just as much as evenings unwinding in calm reflection or sharing moments with friends and family.

Throughout the year, this charming retreat adapts effortlessly — a sanctuary for meditation, a cosy hideaway for relaxation, or a welcoming setting for social gatherings that spill out onto the deck beneath open skies.

Adding to its sense of quiet enchantment, the property enjoys a rare and special connection to nature, with two separate side gates offering direct access into the expansive greenery of Sutton Park — one conveniently positioned at the front of the property, and another from within the garden itself. Whether it's an early morning stroll, an afternoon adventure, or a peaceful sunset walk, the park becomes a seamless extension of home.
