A beautifully presented two-bedroom ground floor garden apartment, thoughtfully designed and very well-maintained with an impressive private garden and an additional garden room / office space.

This stylish apartment offers 816 sq ft of well-proportioned lateral space, combining contemporary interiors with a warm, welcoming feel. The current owner, an interior designer, has created a home with a distinctive sense of style, incorporating carefully considered finishes, bespoke touches and a sophisticated approach to the space.

The bright and spacious reception comfortably accommodates both a generous seating area and a full dining table and chairs. The modern fitted kitchen provides excellent storage and workspace, with large windows ensuring plenty of natural light throughout.

There are two well-proportioned bedrooms together with a stylish family bathroom and the particularly useful addition of a separate cloakroom.

The private garden extends to approximately 52' x 30', with a substantial raised entertaining area creating an excellent setting for outdoor dining and relaxing. The garden has been thoughtfully landscaped with mature planting, seating areas and artificial lawn, while a separate garden room provides valuable additional space, ideal as a home office.

By separate negotiation, the property may be available as a complete package including much of the beautifully selected furniture and the garden room, offering a rare opportunity to acquire a home that is ready to enjoy from day one.

The property is well placed for local shops, cafés and amenities with well-regarded primary and secondary schools within the surrounding area, including Gresham Primary, Atwood Primary and Riddlesdown Collegiate.

Sanderstead, Riddlesdown, Purley Oaks and Purley stations provide a choice of rail connections towards London and beyond. A particularly stylish garden apartment, combining excellent accommodation with a genuinely special outside space.

Rectory Park, Sanderstead, CR2
Approx. Gross Internal Area 816sq ft / 75.8sq meters
