Greenacres, Central Avenue is a modern, superb stand alone apartment block situated on this generous plot within short walking distance of the main South Coast Road and therefore has excellent commuter links to Brighton city centre and beyond. Furthermore local schools, shops, superb cliff top walks along this part of the iconic Sussex coastline and access to the beach are also not far away. This particular apartment which is in excellent decorative order throughout lies to the front of the block and is located on the ground floor so there aren't any stairs to contend with.

On approach to the apartment you will notice the well presented common ways which is always a good indicator of a well run block. The apartment itself is also very well presented with neutral decor and quick step laminate floor coverings throughout alongside modern carpets. The property itself has a very spacious and inviting entrance hall and offers plenty of storage options.
