35 Assembly Apartments York Grove

Description

This unique three-bedroom, top-floor, south-facing, split-level apartment, situated in sought-after Peckham, is within a gated development and is available with no onward chain.

Converted from a Victorian school, this gated development enjoys a vibrant community feel and is only a 3-minute walk down a tree-lined cul-de-sac to Queens Road Overground Station.

The current owners have significantly improved the layout of this home, increasing ceiling heights, floor area, and redesigning and extending the original two mezzanine bedroom layout into three unique spaces. The apartment also comes with two allocated parking spaces.

On entering the spacious entrance hall, you immediately appreciate the double-height ceilings, exposed brickwork, industrial steelwork, and original restored wooden floors. Three doors lead away to the lounge, to a flexible space, where the third bedroom resides, and to a bathroom, complete with bath and integrated shower. A staircase also leads up to two additional bedrooms.

Moving into the lounge, one is greeted by an abundance of natural light from the two oversized hardwood double-glazed sash windows, which also provide a view out over the rear gardens of York Grove, creating an almost park-like experience.
