A charming 3-bedroom mid-terrace Victorian property situated in the highly sought-after area of Decoy, Newton Abbot. This popular residential location provides excellent access to local facilities, including shops, schools, and transport links, while being conveniently close to the scenic Decoy Country Park—a tranquil former clay quarry now offering ponds, woodland walks, and abundant wildlife. The property also enjoys pleasant outlook aspects towards Aller Park and the surrounding countryside.

The current owners have carried out a comprehensive refurbishment, resulting in bright, spacious, and well-presented accommodation that tastefully combines classic Victorian proportions with contemporary updates and modern comforts.

Entering the property, a practical entrance hallway provides a welcoming introduction and leads through to the impressive open-plan lounge/diner. This generous living space benefits from high ceilings typical of the era and large windows that allow an abundance of natural light to flood in, including a distinctive glass block feature window that adds a unique architectural touch and soft, diffused lighting. A charming log burner has been installed, creating a cosy focal point and adding warmth and character to the room. The space offers a versatile, open layout ideal for relaxed family living or entertaining.

A step down from the lounge leads to the stylish kitchen/breakfast room, which has been thoughtfully modernised and enhanced with a skylight, allowing additional natural light to pour in. The L-shaped layout features cream-coloured cabinetry complemented by attractive wood-effect worktops and a contemporary composite sink. Ample storage is provided through base and wall units, alongside space for appliances and practical work surfaces, creating a bright and functional cooking and dining area.

Adjacent to the kitchen is a highly convenient downstairs utility area, which has been cleverly incorporated to include laundry facilities, additional storage, and a practical WC with wash hand basin—creating a useful downstairs cloakroom facility ideal for everyday convenience, guests, or families with young children.

To the first floor, the property boasts three well-proportioned bedrooms. The principal and second bedrooms offer comfortable double-sized accommodation, while the third bedroom is a versatile space ideal as a nursery, home office, or single bedroom.

This delightful older-style Victorian terrace presents a rare opportunity to acquire a characterful family home or investment property with updated interiors, generous proportions, practical downstairs facilities, and a peaceful yet convenient location.
