Situated in our most sought after roads is this classic 1930s semi detached house only 5 minutes from the outstanding Dulverton primary school and around 8 minutes from New Eltham mainline station. Set amongst a backdrop of beautiful blossom trees the whole neighbourhood is picture perfect especially in the spring. This property has been very well cared and loved by the previous owner and is now ready for the next family to create their own happy memories. The house does need updating and has great potential for extension but the most important thing about any property is the location and in this regard this property is a huge winner.
