- Ensuite and family bathroom
- Kitchen/breakfast room
- Two Reception Rooms
- Utility Room/Cloakroom
- EPC - C

*** GUIDE PRICE - £600,000-£625,000 ***

This generously spacious family home is located in the waterside village of Mayland and offers a large plot with river views to the rear. The village is part of the Dengie Peninsular which is just off the coast of the River Blackwater providing views over Osea Island and Heybridge Basin. The village also has an idyllic nature reserve which is home to lots of wildlife. The village boasts many amenities including a large recreational ground with football pitches, tennis courts, and play equipment for children. There are two public houses/restaurants, two sailing clubs, doctors and a primary school. There are shops including a bakery, post office, fish and chip shop and beauty salon to name a few.

The property is situated on a large plot with an in and out driveway to the front providing off road parking for numerous vehicles and a sizeable, mature rear garden which is mostly laid to lawn with a variety of flowers, trees and shrubs. The gardens commence with a raised paved patio leading to a raised decked seating area which is partially covered with a pergola. To the rear of the garden there are a few outbuildings to remain.

The accommodation commences with an entrance hall which benefits from an under stairs storage cupboard, a kitchen/breakfast room with a window to the rear and French doors to the front opening to the garden and off the kitchen/breakfast room is a sitting room/reception room two. The lounge also overlooks the rear garden and boasts a feature brick fireplace with an inset log burner. The ground floor benefits from a cloakroom/utility room and a bedroom with an en-suite. To the first floor, there is a landing providing access to three further bedrooms, all with fitted wardrobes, and a family bathroom suite. Viewing comes highly recommended to fully appreciate the property on offer.

Energy Efficiency Rating	
Current	Potential
Very energy efficient - lower running costs	
(92 plus) A	70 → 80
(81-91) B	
(69-80) C	
(55-68) D	
(39-54) E	
(21-38) F	
(1-20) G	
Not energy efficient - higher running costs	
EU Directive 2002/91/EC	

Environmental Impact (CO ₂) Rating	
Current	Potential
Very environmentally friendly - lower CO ₂ emissions
