Upon entering through the porch, you are welcomed by a spacious lounge/diner, bathed in natural light that floods the room thanks to it being dual aspect. At the rear of the house is a separate kitchen with an integrated gas hob and oven, overlooking the garden patio and lawn. The property has also been refurbished with the removal of the artex ceiling and new spotlights.

Upstairs the house has four well-proportioned bedrooms, providing ample space for a growing family or guests. Followed by a family three piece bathroom and airing cupboard accessed via the landing.

The property further benefits from driveway parking, a single integral garage, and a private garden with patio and lawn area.

Located in the sought after River Area of Maidenhead, the property is a short walk from the River Thames and its various top rated restaurants and bars including Hall & Woodhouse, and The Boathouse at Boulters Lock. Furthermore, Maidenhead town centre is nearby for various amenities, and the train station is just over a mile away on foot.
