Accessed from the upper level to maximise the light and views, the current accommodation has been thoughtfully arranged with living spaces upstairs. The fitted kitchen leads through to a bright dining area and on into a spacious living room, where a full-width picture window frames stunning vistas. From here, a door opens onto a timber decking area—ideal for alfresco dining and entertaining. A cosy snug adds further flexibility as a second sitting room, home office or reading nook.

The lower level currently comprises three well-proportioned double bedrooms, along with an en-suite shower room, a family bathroom, utility room, and a useful cellar/storage area.
