The Agent that goes the Extra Mile

Welcome to 60 Laws Street, a beautifully presented mid-terrace townhouse located within walking distance of the town centre. The property has been modernised by the current vendors who have retained many original features, boasting original charm blended with modern comfort.

The layout of the property presented an open plan layout on the ground floor with a living room, dining room and sitting room blending seamlessly into one another, served by a fitted kitchen and a downstairs bathroom. The is a two room basement offering fantastic storage/work space, or the opportunity to increase the living accommodation (subject to any necessary planning permission). On the first floor is a landing space leading through to three bedrooms, served by an upstairs WC. The property is served by double glazing and gas central heating. Original features include wooden panelling around the windows, high ceilings and stripped wooden doors.

Externally the property has on street parking available to the front, with resident permits available on application to the council. To the rear is a well tended lawned garden which benefits from a patio seating area leading off from the French doors in the sitting room, and a vegetable patch with space for a greenhouse. The garden enjoys views of the nearby church.

This is a fantastic first time buy or is equipped to suit as a comfortable family home. A must see!

Pembroke Dock, or the Port of Pembroke, is located on the edge of the Milford Haven waterway, with its historic Royal Dockyard, and is now the site of the Irish Ferries terminal to Rosslare. There is a range of amenities in the locality, including hotels and guesthouses, superstores, retail parks, primary and secondary schools, leisure centre and a golf course.
