What The Owner Says...

"We've always loved how close it is to the grounds and the River Thames – it's peaceful and full of character. The garden is a real suntrap, and we've spent countless afternoons enjoying the warmth. The turret, with its unique history, gives the house a special charm that we've always admired. Our neighbour is lovely, which adds to the sense of community here. We're just a 15-20 minute walk from Cholsey station, making it so easy to jump on a direct train to London Paddington in under 40 minutes."
