FOR SALE BY PRIVATE TREATY (Subject to contract)

Crows Nest enjoys a glorious, elevated location off a country lane set in 1.86 acres of wood and grassland with far reaching views over countryside.

The stone constructed property has been re-roofed, which is well insulated, and the windows have been replaced with quality Everest glazing.

The property over the years has been extended to provide a good size family home which comprises large hall, cloakroom/W.C., lounge, sunroom with bi-folding doors/windows and fantastic views, dining room, fitted breakfast kitchen with oil fired Aga, utility room and study with mezzanine storage.

At first floor level there are four bedrooms, en-suite shower room and family bathroom.

This charming home can be very economical to run. The current vendors have battery electricity back-up installed (subject to separate negotiation) and there are two multi-fuel stoves, two infra-red heating lights and oil-fired central heating.

Externally, the property is accessed off Tunstall Road via its own driveway leading up to a large, detached garage and onto a parking turning area in front of the cottage. The gardens are made up of woodland, gardens and grassland making it ideal for a purchaser "seeking the good life".

Timbersbrook is a sought-after rural area, although a short drive to Congleton, Biddulph and

Hightown, which has all shops and amenities together with Congleton Railway Station. Manchester Airport is 35 minutes drive and there are good connections to the M6 motorway.

There are beautiful countryside walks on the doorstep including the Cloud which has sensational views over Cheshire, Staffordshire and beyond.

Viewing is highly recommended to fully appreciate the merits and location of this home.
