The home is accessed via a welcoming wooden porch, leading into a bright and spacious interior.

To the left, a generous lounge stretches across the full width of the property, featuring wooden flooring, dual-aspect windows, and a striking open inglenook fireplace with a multi-fuel burning stove, creating a warm and inviting atmosphere. The well-appointed kitchen offers a modern and functional space, complete with a wide range of base and wall units, built-in extractor fan, sink with mixer tap, and space for appliances. The counter tops are granite. Dual windows allow plenty of natural light, while the standout central island provides additional workspace and seating for four, enhanced by stylish uplighting.

Upstairs, there are three well-proportioned bedrooms. The principal bedroom is particularly spacious with dual-aspect windows. Bedroom two includes a built-in storage cupboard, while the third bedroom is a versatile space suitable for a guest room, home office, or nursery. A loft is accessible from the upstairs hallway, offering additional storage. All bedrooms are served by a modern family bathroom, featuring a large bathtub, walk-in shower, WC, washbasin, heated towel rail, and a built-in storage cupboard, all finished to a high standard.

To the rear, the garden has been carefully landscaped, with well-maintained lawns and a lowered rear boundary wall designed to take full advantage of the stunning open countryside views. The property also includes a large main garage, an additional detached garage, and a separate store with WC, offering excellent storage or potential for workshop space.
