- Viewing Highly Recommended

A fantastic opportunity to purchase a well thought out detached home tucked away off a private gated driveway ,shared with only a handful of similar dwellings and located within this highly regarded Vale of Belvoir village.

Originally completed around 2021 by a small local developer, the property was designed to combine both traditional and contemporary elements with attractive, pan tiled roof, with aesthetically pleasing brick elevations, behind which lies a deceptive level of accommodation in the region of 1,900 sq.ft. The property is particularly versatile in its layout, providing bedrooms to both the ground and first floor, allowing it to be utilised as purely a single storey dwelling if required, making it ideal for those downsizing, or potentially those with dependent relatives making use of its ground floor suite.

Internally the property is immaculately presented throughout, with contemporary fixtures and fittings, under floor heating to the ground floor, double glazing, relatively neutral decoration and attractive oak internal doors.

The accommodation comprises an initial well proportioned entrance hall with ground floor cloak room off and useful utility. A sitting room provides a formal reception with a pleasant aspect to the front while, in addition, a ground floor principle suite provides a double bedroom with ensuite facilities. However, the stunning open plan living/dining kitchen is undoubtedly going to become the hub of the home with its attractive vaulted ceiling with inset skylights, additional windows and exterior doors into the garden, flooding this area with light. The kitchen is beautifully appointed with a generous range of contemporary units and integrated appliances. A central island unit provides an additional working area and the reception space offers an attractive log burning stove, creating a delightful everyday living space, which flows via bi-fold doors into the garden.

To the first floor there are three further bedrooms, with both ensuite and main family bathroom. The fourth bedroom potentially making an ideal first floor office or dressing room.

As well as the internal accommodation the property occupies a delightful plot tucked away at the end of this no through lane with an attractive approach via electric estate style field gates, onto a initial shared, sweeping, gravelled driveway passing a wooded copse to the side and in turn the private frontage of the property, where there is off road parking and attached garage. There are established gardens to both the front and rear. The rear garden offering a good degree of privacy and also encompassing a pergola with hot tub which will remain

with the property.

Overall we feel that the property would appeal to a wide audience with viewing coming highly recommended to appreciate both the location and accommodation on offer.

EASTHORPE
