THE DEVELOPMENT

FINAL HOMES BETWEEN MIJAS AND FUENGIROLA

From Marevo Real Estate we bring you this development in the very heart of the Costa del Sol, of which the last three units remain, priced from €369,000 to €399,000 with delivery expected in the third quarter of 2026. A unique, exclusive project, of contemporary design and in an unbeatable location.

The complex sits in one of the best-located residential areas with the greatest urban development potential on the Costa del Sol, at the intersection between Mijas and Fuengirola, in the province of Málaga. A strategic enclave that combines the convenience of amenities with the appeal of an area in full expansion.

It is a large multi-family building offering 76 homes with 2 and 3 bedrooms, arranged over five floors plus penthouse level, with large terraces and furnished kitchens. An architecturally exceptional project, based on exclusivity and impeccably built, with state-of-the-art materials that guarantee homes of the finest quality for their durability and functionality.

The design seeks the perfect balance between aesthetics and functionality, with every feature for enjoying maximum comfort and wellbeing.

Every home is designed for those who only want the best, with careful treatment of spaces and materials.

The communal areas include a social lounge, toilets, a pool, greenery and bicycle parking, while the basement levels house the car parking spaces and storage rooms, adding everyday convenience and functionality.

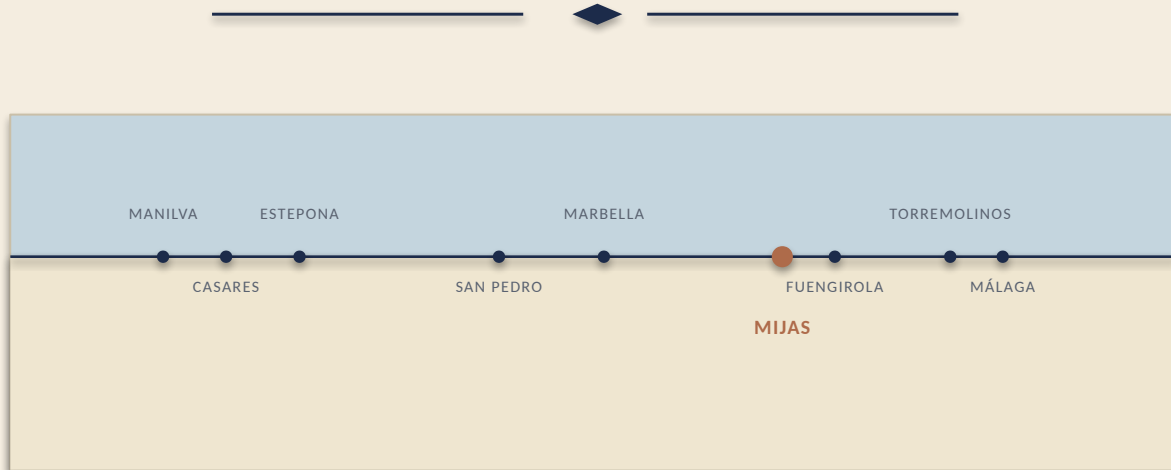

Thanks to its strategic location between Mijas and Fuengirola, its exclusivity and its high urban development potential, this development gathers highly attractive qualities both for living and for a solid investment on the Costa del Sol.

At Marevo Real Estate we offer you a personalised service that combines precision, rigour and deep local knowledge with close attention. As these are the final units, if you would like more information or to visit the development we invite you to CONTACT MAREVO.
