Set within the heart of Sandford, one of Mid Devon's most desirable villages, this spacious home offers an exceptional blend of community, countryside and convenience. Sandford is prized for its strong village feel, with a well regarded primary school, popular pubs, community shop/post office and regular bus service, all contributing to everyday life being comfortably close at hand. There are regular events at the village hall as well as football and tennis and Creedy Park is home to Sandford Cricket Club, boasting one of the most picturesque grounds around. Just a couple of miles away lies the thriving market town of Crediton, providing a full range of shops, schooling and rail links, and the much loved Millennium Path offers a scenic and largely traffic free walk/cycle route straight from village to town.

10 Snows is a semi-detached family home, set within the village, slightly elevated with some stunning views to the south, over the garden and onto surrounding countryside. Improved since it was first built, it now offers a flexible layout over two floors

and the ground floor fourth bedroom and shower room add scope for those wanting to utilise a bedroom and facilities without needing to use the stairs. The layout offers a front to back living room with dual aspect and views/doors to the south facing gardens at the front. The good-sized kitchen/dining room provides ample space to create, entertain and enjoy, again with those views to the front. A useful laundry room, WC and shower link to the rear, which is home to the aforementioned fourth bedroom. On the first floor are three bedrooms and the family bathroom. Throughout is gas central heating and owned solar panels on the south facing roof reduce energy costs too.

Outside, the main garden sits to the south (front) and offers lawns, incredible views and of course, being south facing, plenty of opportunity to enjoy the long summer days. There is a great raised decked seating/entertaining area too. It's worth noting that due to the slight elevation of the property, the front garden isn't overlooked from public passers by. To the rear is a large timber shed and to the side at the rear, a wonderful hidden hot tub area is a great way to unwind (hot tub available by separate negotiation). Two parking spaces to the side complete the set up, making it ideal for family life in a wonderful village.
