*** BACK ON THE MARKET*** This two-bedroom semi-detached house offers plenty of potential and would make an ideal home for someone looking to put their own stamp on a property.

The property includes two good-sized double bedrooms and a spacious reception room, with the property now ready for modernisation. There is also excellent off-street parking for up to two cars, along with a garage, which is not something you often find in this part of London.

There is also potential to extend, subject to the usual planning permissions, giving the new owner the opportunity to create more space and really make the most of the property.

The great located property is close to a great selection of local amenities, schools, parks and transport links

Gunnersbury's park 0.3 Miles,
Kew Green 1.2 Miles,
Ealing Broadway 2.2 Miles
Boston Manor Park 0.9 Miles

STATIONS NEAR BY:
Kew Bridge Station 0.6 Miles
Brentford Station 0.8 Miles
South Ealing 0.7 Miles

With good connections into Central London and everything you need close by, this is a great location for both families and commuters.

The property is freehold and offers a really good opportunity for a buyer who is happy to modernise and create a home to their own taste.

With the parking, garage, potential to extend and fantastic location, this is a property that really needs to be seen to appreciate what it could become.

Early viewing is highly recommended.
