Highwood, Harrogate Road

Upon entering the property, the welcoming entrance hall provides access to the principal reception rooms and creates a natural connection between the different areas of the home. The main living room is an impressive and comfortable space, offering excellent flexibility for both relaxing and entertaining, with large windows allowing plenty of natural light to fill the room.

The sun room provides a further versatile reception space with a pleasant connection to the outside, making it ideal for enjoying the garden throughout the year. A generous dining room offers an excellent setting for formal meals and entertaining, while the separate family room provides additional flexible living space, ideal as a sitting room, family lounge, playroom or entertaining area.

The kitchen sits at the heart of the ground floor and is complemented by a separate dining area, creating a sociable space well suited to family life. A useful utility room provides additional practical workspace, while a downstairs WC completes the ground floor accommodation.

To the first floor are four well-proportioned bedrooms, offering excellent flexibility for family, guests or home working. The principal bedroom provides an impressive private retreat, while the remaining bedrooms offer

versatile accommodation to suit a variety of needs. The floor is further served by shower room and bathroom facilities.

Externally, the property is accompanied by 6 acres of land with nature walks and Eccup Reservoir on your doorstep, predominantly laid to open grassland and enjoying a peaceful rural setting with mature woodland, open countryside and far-reaching views towards the nearby reservoir. The grounds also benefit from a fruit orchard, adding to the property's charm and rural appeal, alongside an extensive range of garages and outbuildings, including a dedicated workshop, providing excellent space for storage, vehicles, hobbies or a variety of other uses, subject to any necessary consents.

The property is accessed via a private road, leading to electric gates with an intercom system. The driveway at the front provides parking for vehicles and leads to a double garage. To the rear, a wooden farm-style gate opens to a block-paved driveway with ample parking for multiple vehicles and access to two outbuildings, ideal for conversion subject to planning, building regulations and title restrictions.
