Tucked within a popular residential area is this updated semi detached house. The property benefits from a refitted kitchen and shower room along with new uPVC window and doors plus a newly installed gas central heating system. Outside the property has off road parking and an enclosed rear garden.

From the driveway you step into a porch with a WC leading off. A half oak glazed door opens into the kitchen with a contemporary range of eye and base level units with a peninsula island. There are also a further range of units against one wall leaving space for appliances. The sitting/dining room overlooks the rear garden and has a feature box bay window.

On the first floor are 3 bedrooms and a refitted family shower room. The master bedroom has an elevated view over the rear garden with a box bay window. Bedroom 2 is another double bedroom with space for freestanding furniture. All of the bedrooms share a refitted family shower room with a double shower enclosure.

The property is approached off the road onto a driveway for 2 vehicles. This extends down the side of the property. The rear garden is fully enclosed to all sides and has been landscaped with low maintenance gardening in mind. There is scope for a purchase to create a garden of their own design and style.
