IF YOU LIVED HERE...

Step inside and you'll find a bright, generously proportioned reception room, where a wide bay window brings in plenty of natural light and a fireplace creates a natural focal point. Beyond, the spacious kitchen offers ample storage and worktop space, with room for a dining table beside the glazed doors overlooking the garden. A useful lean-to provides additional covered space and a practical route to the outside.

The two bedrooms are both comfortable doubles, each presented in calm, neutral tones and offering flexibility for sleeping, guests or working from home. The bathroom is finished with a bath and overhead shower, while the single-storey layout has an easy, practical flow throughout.

Outside, the rear garden extends to around 33 feet and feels naturally connected to the living space, making it easy to step out and enjoy outdoor dining, entertaining or a quiet morning coffee during the warmer months. There is plenty of room for planting

and relaxing, while side access and the garage add further practicality. The generous 10 metre wide plot also offers exciting potential for future extension or development, subject to the usual planning permissions.

A WORD FROM THE OWNER....

"There's a bus service near to the bungalow and many other bus services a short walk away. There's shops and a Morrison Supermarket a short walk away too. There's two great parks nearby, plus two schools, and the neighbours are wonderful and very friendly."
