## Description

44 Ringsfield Road is believed to date from the 1930s but has been extended over the years. It now comprises a spacious five bedroom detached house in a popular residential area to the south of Beccles town centre. The flexible accommodation extends to over 2,400 square feet (226 sqm) in all and comprises an entrance porch, entrance hall, inner hall, sitting room, playroom, dining room linking to a conservatory and also to the kitchen, a study and cloakroom on the ground floor. On the first floor there is a large landing area from where doors lead off to four double bedrooms, a single bedroom, a bathroom and a separate shower room.

Outside there is a shingled driveway to the front of the property that is sufficiently large enough for the parking of five to six vehicles, together with a large garden to the rear, that facing in a south-westerly direction enjoys the sun throughout the day. In all, the plot extends to approximately 0.3 acres (0.12 ha).

The property has been well maintained by the current vendors over the years, but likewise provides an exciting opportunity for an incoming purchaser to renovate, refurbish and remodel the property, subject to the necessary consents, to create an impressive family home.

Prospective purchasers should note that the property will be sold with a covenant restricting the use of the site to one dwelling. For the avoidance of doubt, the covenant will not impact on the building of an annexe, outbuildings or extension of the house.
