Bearing in mind how very few bungalows of any description come to market or indeed are available within the CH43/42 Postcodes, we suggest this particular dormer bungalow will be of interest to many variants of buyers; those purely looking for a 'down size' from their current home; those looking for a slightly different 'family' house and for those that can see the opportunities to extend, perhaps remodel and in any event to maximise the wide angulated garden plot this property, (with garage) has to offer..

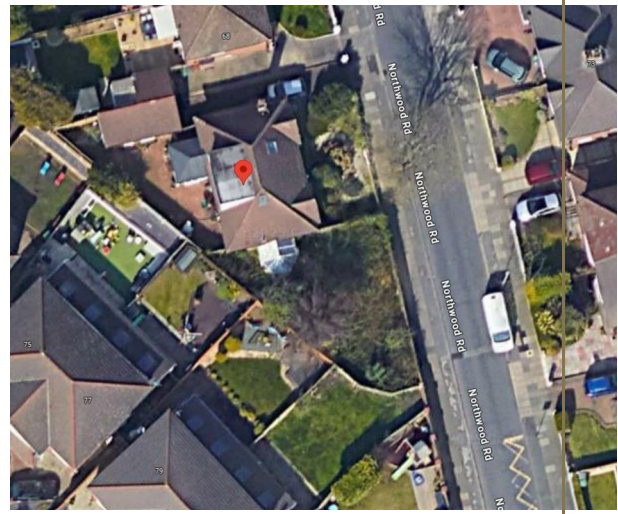

Sizeable, for sure; with upgrading within certain aspects of the property, yes; with huge scope to once again make hugely comfortable and desirable; definitely. Consider our floor plan to appreciate the layout (remembering one true shower room at ground floor and one true full bathroom suite at first floor) and then please book your viewing with us at your earliest. This property has a 'no onward chain' status and is vacant for that viewing.

Occupying a central, 'traditional' location within Prenton, naturally all local amenities are near at hand. Please Sat nav: CH43 0SS for your directions.
