DESCRIPTION

A Unique and Exceptionally Refined Home

A truly unique house of exceptional quality, this outstanding property has undergone a comprehensive programme of complete remodelling to create a remarkable contemporary home, set within gardens of an exceptional standard rarely seen.

Entrance and Living Space

The entrance hall is a striking introduction to the home, featuring double-height glazing which floods the space with natural light and provides a dramatic visual connection through to the principal reception areas and garden beyond. A steel and hardwood staircase rises to a first-floor gallery landing, overlooking the open-plan living space below.

The main living area is beautifully arranged to provide distinct yet flowing zones for seating, dining and kitchen use. Finished with polished porcelain flooring throughout, the space is enhanced by wide patio doors which open directly onto the paved rear terrace and gardens beyond, creating a seamless indoor-outdoor lifestyle.

A further reception room, currently used as a study, enjoys patio doors opening onto the terrace and garden, along with a large window overlooking the front garden, making it a versatile and peaceful additional living space.

Kitchen, Dining and Additional Reception Space

The elegant kitchen and dining room form the heart of the home and connect effortlessly with the garden through multiple sets of patio doors. The kitchen itself is a striking contemporary design, finished in a bold black aesthetic with polished stone work surfaces and a comprehensive range of integrated appliances.

A large central island incorporates a sink unit, dishwasher and induction hob, with a flush ceiling extractor above. Additional appliances include full-height fridge and freezer, washing machine, tumble dryer, dishwasher and electric oven,

providing a fully equipped and highly functional culinary space.

Adjoining the kitchen is a delightful sitting room, a particularly calm and relaxing space overlooking the front garden. This room links back to the hallway, where a shower room is conveniently located, allowing this space to function as a ground floor bedroom if required.

First Floor Accommodation

On the first floor, the principal bedroom suite is a spectacular feature of the home. With a vaulted ceiling and floor-to-ceiling windows, the room enjoys superb views over the gardens, with patio doors opening onto a private first-floor terrace.

The suite includes a range of fitted bedroom furniture and a spacious, elegant en suite bathroom comprising a freestanding double-ended bath, large shower, washbasin and WC.

There are three further double bedrooms, all positioned to the rear of the property and enjoying views over the gardens. These are served by a spacious family bathroom fitted with a shower bath, washbasin and WC.

Gardens and Grounds

The gardens are truly magnificent and represent one of the most outstanding features of the property. Beautifully landscaped and meticulously maintained, they include a rich variety of specimen trees, shrubs and mature planting, interspersed with lawns, borders and a charming pond.

To the front, a shingle driveway provides ample off-road parking and leads to the entrance pathway, which is bordered by lawns and specimen trees, creating an attractive and welcoming approach.

To the rear, a wide paved terrace extends across the full width of the property, providing an ideal space for outdoor entertaining and relaxation. This leads onto the extensive rear gardens, which include areas of shingle, lawn, pond and richly planted borders, with a series of thoughtfully positioned seating areas designed

to enjoy the garden from different aspects throughout the day.

A substantial timber garden store and workshop provides excellent storage and practical workspace, further enhancing the functionality of this exceptional outdoor setting.
