Freehold

Situated on The Street in the rural village of West Hougham, this exceptional Grade II listed Georgian country house is a rare and significant offering, set within approximately 1.8 acres of private and beautifully landscaped grounds. The property has been carefully maintained while retaining a wealth of original features, including high ceilings, sash windows, and elegant reception spaces. Offered to the market chain-free, with extensive accommodation, outbuildings (barn & stables), and significant further potential.

To the front of the property are two impressive principal reception rooms, comprising a drawing room and a formal dining room, both featuring sash windows and focal fireplaces. The sunny sitting room is situated to the back of the property. The kitchen is positioned to the rear and is fitted with units, ample work surfaces and storage, complemented by a walk-in larder. In addition, the property offers a substantial cellar comprising three individual rooms. A rear glass porch provides a practical utility area, while a downstairs WC completes the ground floor accommodation.

To the first floor, a central landing provides access to four well-proportioned double bedrooms, as well as a large roof void accessed via a fixed staircase offering significant storage or conversion potential (subject to the necessary consents).

Externally, the property is set within approximately 1.8 acres of mature and well-maintained grounds, featuring extensive lawns, established tree lines, hedging, flower beds and carefully considered landscaping throughout. A swimming pool is also located within a walled and hedge-enclosed area to the side of the property, currently requiring refurbishment but offering excellent potential for reinstatement.

To the rear of the grounds is a fenced paddock area with direct access from the main gardens, well suited to equestrian or lifestyle use.

West Hougham is a small and peaceful rural village situated within easy reach of Folkestone & Dover and the surrounding East Kent countryside. The area is characterised by open farmland, rolling landscapes and a strong sense of rural seclusion, while remaining conveniently positioned for access to Dover, with its mainline transport links, shopping facilities and seafront amenities. The historic cathedral city of Canterbury is also within comfortable driving distance, offering a wider range of cultural, educational and commercial facilities. This combination of countryside living and accessibility makes the location particularly desirable for those seeking space, privacy and heritage in a well-connected setting.
