A well-arranged three-bedroom home set over three floors, within easy walking distance of Crediton town centre, its shops, and rail and bus connections.

The house has been extended to create a generous kitchen and dining space that forms the natural hub of the home. There is plenty of room for a full table, making it a practical area for everyday meals as well as spending time with friends or family. The layout allows for an easy flow through the ground floor while still giving each area a clear purpose.

Across the upper levels are three genuine double bedrooms, each well proportioned and filled with natural light. The accommodation is arranged over three floors, which gives a sense of separation between living and sleeping spaces and allows flexibility in how the rooms are used.

A newly fitted bathroom has been updated in a clean, contemporary style, providing a fresh and functional space and a utility area on the 1st floor creates a perfect space for laundry and storage.

Outside, the private courtyard offers a low-maintenance spot for sitting out, along with a useful storage shed. It's an easy space to manage while still giving you somewhere to enjoy fresh air or keep bikes and outdoor equipment.

Throughout the property, character features remain in place, adding interest and texture while blending comfortably with the more recent improvements.

**CREDITON** is a vibrant market town with a bustling high street full of independent shops, eateries, and pubs. In recent years a diverse arts scene has grown to include all manner of mediums, with the performing arts making use of the town's market square where, in the summer months, a range of activities take place. The market square is also home to the town's twice-monthly farmer's market. The town has an equally significant past. It was originally the first Bishopric in Devon and the imposing Parish Church of The Holy Cross now stands where once stood Devon's first Saxon cathedral (909-1050AD). It is also the birthplace of Saint Boniface, one of the founding fathers of the Christian church in Europe. Easily commutable to Exeter and with two primary schools, a secondary school with sixth form as well as a wide range of necessary amenities, it's clear why the town is a firm favourite with locals and relocators alike.
