FLOORPLANS | MEASUREMENTS

Please note that the software used to calculate the measurements of a property only capture the Net Internal Area (NIA) not the Gross Internal Area (GIA) so the room sizes may appear smaller on the floorplan.
Please refer to the EPC for the GIA.

THE OPPORTUNITY
HMO INVESTMENT | BASIC UPDATING | POTENTIAL FOR £72,000 pa

The property has been let for many years as a fully licensed 8 bedroom HMO and there is now scope for basic updating to increase the rent to £72,000 pa.
Currently let to 6 students and 2 professionals on a single AST contract from 3rd August 2026 for £38,400 pa / £3,200 pcm (excluding bills)

Please note the current rent is well below market rent and there is huge potential to increase the income to £750 per room pcm | £6,000 pcm | £72,000 pa once works are completed.

Interested parties may also consider renting as a professional HMO with scope to improve the communal kitchen / living space and create en suite bathrooms.
All subject to gaining the necessary consents.

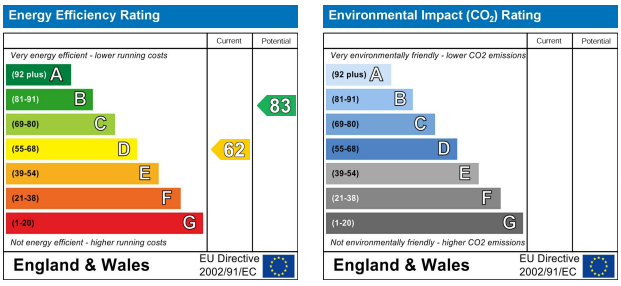

FAMILY HOME

The property overlooks Horfield Common and has scope for a fine family home in this sought after location close to local shops and schools.
