Simpson West

Occupying a pleasant position within the highly sought-after Shire area of Corby is this rarely available four-bedroom family home, offered to the market for sale with the added benefit of NO FORWARD CHAIN.

Providing generous and well-balanced accommodation across two floors, the property represents an excellent opportunity for families looking to secure a spacious home within this popular and established residential area.

The accommodation begins with a welcoming entrance hall and convenient cloakroom/WC, leading through to a comfortable living room. Completing the ground floor is the modern fitted kitchen/dining room, providing a practical and sociable space for everyday family life and entertaining.

To the first floor are four well-proportioned bedrooms, including two generous double bedrooms and two good-sized single bedrooms, making the layout particularly versatile for growing families, guests or those requiring space to work from home. Servicing the bedrooms is the main family bathroom.

Outside, the property enjoys a particularly generous enclosed rear garden, predominantly laid to lawn with a good-sized patio area providing an ideal space for outdoor dining and entertaining during the warmer months.

For parking, two large communal car parks are conveniently positioned just a stone's throw from the property.

Four-bedroom homes within this area are rarely available, particularly with no onward chain, and early viewings are therefore highly encouraged to avoid disappointment.
