PROPERTY SUMMARY

A superb three-bedroom end-of-terrace family home occupying an exceptionally large wraparound corner plot, offering significant potential to extend and add value (subject to the necessary planning permissions).

Situated in a popular Feltham location, this spacious property benefits from a dual-aspect reception room, modern fitted kitchen, ample off-street parking and a substantial outbuilding, making it an exciting opportunity for families, developers or buyers looking to create their ideal home.

Externally, the property boasts a gated front garden leading to an impressive side garden that wraps around to the rear. The substantial outbuilding is currently divided into two separate sections and used for storage. Alternatively, it could be removed to maximise the already generous outdoor space.

The reception room features a bay window overlooking the side garden, creating a bright and welcoming living space, while the modern kitchen provides practical everyday functionality.

Upstairs there are three well-sized bedrooms with a modern family bathroom.

Conveniently located close to Feltham's local amenities, schools and transport links, this property offers an excellent combination of family living, outdoor space and future potential.
