The Square, Uffculme Cullompton

Exciting development and renovation opportunity. This former village post office is arranged over three generous floors and benefits from two separate entrances, offering excellent potential for reconfiguration or possible conversion into multiple dwellings, subject to the necessary consents.

This former village post office offers enormous potential for renovation, reconfiguration or possible conversion into multiple dwellings, subject to the necessary consents. Arranged over three generous floors and benefiting from two separate entrances, the property is ideally suited to a variety of uses in the heart of the popular of Uffculme.

The ground floor was historically the shop front and is now arranged as two reception rooms, with a central kitchen and two useful store rooms. Completing this level is an additional space where a WC was previously located, offering further scope for reconfiguration.

Stairs rise to the first floor, which provides a large reception room (formerly a kitchen), a spacious inner hallway, four bedrooms, and a family bathroom.

A further staircase leads to the second floor, where there are two additional bedrooms, a shower room, and a converted loft area, ideal for storage, home working or hobby use.

Externally, the property benefits from a small area of outside space to the front, suitable for pots, refuse storage and practical day-to-day use.

Requiring modernisation throughout, this substantial property represents a rare opportunity for developers, investors or owner-occupiers looking to create something truly special in a sought-after village location.
