I Riverhead Close, Stoke-On-Trent ST6 8RW

Whittaker & Biggs would like to welcome you to this delightful four-bedroom semi-detached house, spanning an impressive 1,163 square feet. This property, built in 1985, occupies a desirable corner plot in a sought-after neighbourhood, making it an ideal family home.

The spacious dual-aspect sitting room is bathed in natural light, creating a warm and inviting atmosphere. Adjacent to this, the separate dining room provides an excellent space for entertaining guests or enjoying family meals. The heart of the home is undoubtedly the well-appointed breakfast kitchen, which is complemented by a separate utility room, ensuring practicality and ease in daily living.

The principal bedroom suite is a standout feature, boasting a modern en-suite shower room that adds a touch of luxury to your daily routine. Three additional bedrooms provide ample space for family or guests, making this home both functional and versatile.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
