3 Easterfield Court, Driffield, YO25 5PP

Perhaps one of the best ground floor apartments within the development! Having direct access onto delightful, communally maintained, landscaped gardens to the rear. This is a tremendous feature of the property and an apartment within this complex with such an attribute is seldom available on the market.

The accommodation includes main entrance with storage cupboard, rear facing lounge with access onto the gardens, kitchen with integrated appliances, bathroom and bedroom that includes wardrobes.

Overall, the property is in EXCELLENT CONDITION THROUGHOUT with an upgraded electric heating system, though the interior could benefit from some re-decoration. This does not take away the benefit of the location of the apartment within the building which is quite delightful!

GENERAL INFORMATION

Easterfield Court is designed for independent retirement living, it is NOT a sheltered housing scheme or care facility. The lower age limit for occupation is 60 with a partner being 55 or over.

The Development Managers role is to manage the building, ensuring a well maintained and safe development for Leaseholders (Residents), visitors and contractors. The Development Manager does not provide care, however, they will unobtrusively monitor residents and be on hand during working hours where possible.

The development has an emergency call system installed in each apartment and throughout the development. If this is activated when the Development Manager is on duty it will go through to them, outside of these hours the call goes to a careline facility who can deal with emergency and non-emergency situations.
