The Agent that goes the Extra Mile

A rare opportunity to purchase a substantial family home located in an elevate position on the outskirts of St Davids. This property boasts views to the front towards the city and cathedral, of the surrounding countryside and the sea in the distance. This property requires modernisation but would make an enviable family home, or offers the space to suit a business venture.

The property has an upside down layout and is accessed by steps to the front into an open hallway, with picture windows framing the views to the front. The landing leads through to a fantastic living room with feature fireplace, a kitchen/breakfast room, a further sitting room and an additional room offering storage space with a lift going down to the master bedroom. On the lower floor there is the master bedroom with fitted wardrobes and access to the en-suite shower room, three further double bedrooms with en-suite bathrooms, a fifth double bedroom and a utility room. The property is served by oil fired central heating and hardwood windows.

Externally, the property sits tucked away up a private driveway, opening to a substantial plot measuring approximately 0.3 acres, with ample off road parking and garden space to the front. At the rear is a sloped garden with a patio seating area leading off from the living area.

This is a fantastic prospect for someone looking to be within walking distance of the city centre. Viewing is highly recommended!

. St Davids has the benefit of numerous amenities and facilities which briefly include Secondary and Primary Schools, Chapels, Public Houses, Restaurants, Hotels, Art Galleries, Gift Shops, Supermarket, Dentists' surgery, Pharmacy etc. Renowned as Britain's smallest city, at the heart of which stands the historic Cathedral and ruined Bishops Palace, St Davids is a vibrant coastal community, situated on the most westerly tip of Wales, within the Pembrokeshire Coast National Park.

DIRECTIONS

From Haverfordwest exit the town on the St Davids Road and continue on this road for approximately 14 miles. On reaching St Davids proceed through the one way system along New Street, and turn left onto High Street proceed down High Street, following the road around to the right, passing the Cathedral on your left. The property will be found a little further ahead on the right hand side. What3words rekindle.encroach.curtail
