

4 Riverlight Quay London

This modern apartment set within the exclusive Riverlight development, features two double bedrooms, two bathrooms and a private balcony. Residents benefit from a fantastic amount of communal facilities, such as a swimming pool, cinema screening room & golf simulator.

Riverlight has all the ingredients of the perfect London development, designed by the world-renowned architects Rogers Stirk Harbour & Partners. Set at the heart of the cluster of developments on the waterfront, the architects behind Riverlight have planned an oasis of landscaped communal gardens and open space.

Together with the excellent existing transport links from Vauxhall, Battersea Power Station and Nine Elms Tube station, Riverlight presents an opportunity to make the most of what London has to offer.
