Located in Newton Abbot, this property offers an excellent opportunity for buyers looking to secure a home in a well-connected and in-demand location. Newton Abbot continues to attract strong interest due to its mix of local amenities, transport links, and lifestyle appeal, making it particularly popular with families or downsizers seeking long-term value.

This well-presented and thoughtfully adapted four-bedroom detached home is situated in the sought-after Buckland & Milber area of Newton Abbot. Originally constructed as a spacious two-bedroom bungalow, the property has been sympathetically extended to include an internal staircase, creating two additional first-floor bedrooms while retaining the convenience of largely single-level living.

The property is approached via a canopy porch, leading into a welcoming entrance hallway which provides access to the ground floor accommodation, with stairs rising to the first floor. The spacious living room benefits from a large front aspect window, hard flooring, and a fitted dual-fuel wood burner set within a feature surround with slate hearth and oak mantel. Additional features include built-in storage along with TV and telephone points.

The generous kitchen/dining room is fitted with ample worktop space, a sink, a range of base and wall units, a cooker point, and an induction hob with extractor above. There is space for a washing machine, tumble dryer, dishwasher, and an American-style fridge/freezer, along with ample room for a family dining table. A concealed Worcester gas boiler serves the central heating and hot water. A rear door provides direct access to the private courtyard garden.

The ground floor offers two double bedrooms: Bedroom Three, with a front aspect, and Bedroom Four, featuring UPVC French doors opening onto the rear courtyard. The family bathroom is fitted with a freestanding bath, separate double shower with glass enclosure, vanity wash hand basin, and low-level WC.

The first floor comprises two further well-proportioned bedrooms, Bedrooms One and Two, offering flexible accommodation ideal for families, home working, or visiting guests.

Externally, the property occupies a corner plot with a larger-than-average front garden, providing ample off-road parking and space suitable for a motorhome if required. To the rear is a private, low-maintenance courtyard garden, ideal for outdoor entertaining. The property also benefits from UPVC double glazing and gas central heating throughout.
