OPPORTUNITY AWAITS

An exciting renovation project with endless possibilities.

Step inside and you'll discover a property offering exceptional scope for refurbishment. Stripped back throughout and ready for redevelopment, it provides a genuine blank canvas for investors, developers or those looking to unlock its full potential. With generous proportions, the opportunity to create a spacious three-bedroom semi-detached home, a double driveway and gardens to the front and rear, the foundations are in place for a rewarding transformation.

THE FINER DETAILS

This three-bedroom semi-detached property offers an exciting opportunity to renovate and add value. With well-proportioned accommodation, two versatile downstairs rooms offering potential for a kitchen/diner and lounge/family room, a double driveway and a rear garden, the property provides an excellent foundation for those looking to create a modern and desirable home.

Stepping through the front door, you enter a porch with a further door leading into the hallway, where the staircase rises to the first floor and access is provided to the main living spaces. The front lounge benefits from a bay window and existing feature fireplace, while the second reception area offers further potential with another feature fireplace already in place. The kitchen area requires a full refit but provides scope to create a contemporary space, with a separate WC conveniently located off the kitchen.

Upstairs, the landing gives access to three bedrooms and the family bathroom. The master bedroom benefits from a bay window, while a further bedroom offers the potential for fitted wardrobes and houses the boiler. The bathroom is fitted with a bath and sink, providing a good starting point for modernisation.

Outside, the rear garden offers the opportunity to create an attractive outdoor space, with an existing paved area leading down to a further section ready to be landscaped. To the front, the property has been paved to provide a generous double driveway, offering valuable off-road parking.
