This beautifully renovated ground floor apartment offers a stylish and spacious living environment in the heart of West Norwood. Featuring two double bedrooms and two modern bathrooms, the property has been completely refurbished throughout to a high standard. The open-plan living and dining area flows seamlessly into a newly installed patio, which leads to a large private garden – a rare and valuable feature in London living.

The master bedroom benefits from an en-suite bathroom, while the second bedroom is served by a separate, equally well-appointed bathroom. The kitchen has been thoughtfully designed with contemporary fittings and integrated appliances, making it ideal for both everyday living and entertaining.

Located on the quiet and residential St Julians Farm Road, the property enjoys excellent access to local amenities. West Norwood is a vibrant and well-connected neighbourhood, known for its strong community feel, independent cafés, and cultural attractions such as the West Norwood Picturehouse and the monthly West Norwood Feast market.

Green spaces are plentiful, with Norwood Park and Tivoli Park both within easy reach, offering scenic walks, playgrounds, and panoramic views across London. Transport links are superb, with West Norwood Station just a short walk away, providing direct services to London Victoria and London Bridge.
