Summary

Trevelga is in an enviable position directly adjacent to the glistening shores of Poole Harbour and just a short distance from the beach at Sandbanks.

The development comprises just ten luxury apartments and it has been the subject of a number of recent improvements. The communal areas have been upgraded, the driveway is now enclosed by remote control gates and there are now sixteen casual parking spaces which have been formed for the exclusive use of the residents in addition to the individually demised garages. This is a true garden apartment with access to a private sun terrace and direct access to the grounds which are rarely used by other residents. We understand Trevelga is pet friendly so this could be especially attractive to pet owners and the sellers sometimes even use a route through the garden as an alternative to the main entrance. The interior has been remodelled and refurbished to a very high standard with significant renovations undertaken by high end suppliers such as Kitchen Elegance and Harbour Innovations as well as interior design by Novo Interior Architecture. The accommodation extends to 1,160 square feet and comprises two double bedrooms, two bathrooms, lounge / dining and a well appointed semi-open plan kitchen. Combined with the stunning view of Poole Harbour and the especially sunny aspect this has much to offer for anyone moving to the coast.
